

## Hakaterere Farm Visit

Dear parents/caregivers

We are looking into possible solutions to "the plastic problem"

As part of our inquiry into fibres, we are going to travel by bus to **Alison and Richard Lilley's** farm to explore more about wool as a fibre. This short trip will build on our experiences in the PGG Wool in School container and also provides a link to Tina Gill's visit in Week 10. Tina will show us the basics of carding wool, spinning and weaving.

We are also asking and answering questions about other natural fibres such as cotton, silk and flax.

Please bring/wear a jacket and gumboots.
