

## Wool Inquiry Field Trip – Wednesday 26<sup>th</sup> September – Miss Deans's Inquiry

This term we have been doing an inquiry looking into wool and sheep in New Zealand. We have been doing lots of learning in the mobile "Wool Shed" container provided by PGG Wrightsons and have also had a Canterbury Wool Representative out to speak to us. We thought it would be a great idea to finish the term by visiting a farm to consolidate all of our learning.

**Location:** Steve and Sarah Sauer's Farm

**Clothing:** Please wear school uniform but bring an old jersey to put over top and some old shoes (as we will be looking through sheep yards and a woolshed).

**When:** approx. 11:30am- 2pm (Pack a good lunch on this day)

**How will we get there?** Stellar the Bus

Please feel free to contact me if you have any concerns.

Kind regards,

Milly Deans mdeans@methuen.school.nz
