Transport:

Thank you to all of the parents who are transporting children to and from this event. Thanks also to those parents who indicated that they could take extra students. Listed below are the names of students who need a ride and who they will be travelling with. Where possible I have tried to ensure that the extra children you are taking have events at a similar time to your child.

Children not listed are traveling with their own parents.

If postponed until Monday I will presume transport arrangements will stay the same unless you let me know by Friday lunchtime, please email me or call the school office.

If you have any concerns before the event, please don't hesitate to get in contact with me via email.

Kind regards, Rachel Brown
