Home Class Lists

All children will be assigned a "Home Class Group" with a "Home Class Teacher". This will be the teacher who is responsible for the pastoral care of your child and your point of contact for our home and school partnership. Class lists will be sent out via a link on Message My Way at 5:00pm Friday 25th January. They will also be placed on our website www.methven.school.nz and outside our school office.

Home Class Open Day

Instead of starting our year with Goal Setting 3-Way Conferences, we will be holding an Open Day in each learning space. This will be held on Wednesday 30th January between 1:00pm - 4:00pm.

This is an opportunity for all families to pop in and meet the new Home Teacher, have a chat, ask questions and/or drop off stationery. We are hoping to see as many families as possible on this day.

Please fill in the 2019 Student Profile form (attached) and bring it to the Open Day.

Message My Way

We will once again be using Message My Way as our main reminder and alert system for 2019, starting with a notification when Class and Homeroom Teacher Lists are available.

If you have had a change in mobile number or email address recently, please ensure you email office@methven.school.nz so we can update your details.

Uniforms

As well as ordering uniform supplies online from the NZ Uniforms website <http://methvenprimary.nzuniforms.com>, families can also visit their Christchurch store.

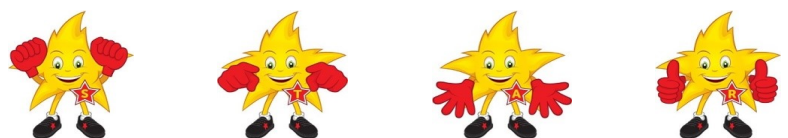

Located at 455 Blenheim Road, their opening hours are:

- 9am - 5pm Monday to Friday
- 9am - 1pm Saturday

Note: NZ Uniforms are closed from 22nd December until the 3rd January. They will not be processing any website orders placed after the 20th December until the store reopens.

The store's contact details are christchurch@nzuniforms.com and 03 595 5766.

Second hand uniforms may also be available via a local facebook page: www.facebook.com/mps.uniform.buy.sell.

Bring Your Own Device

In 2019, we are once again encouraging Year 5 and 6 students at Methven Primary School to bring their own device for their learning. We see the ability to transition from working at school to home as an important step in our students development.

As a Microsoft Office 365 school, having a computer that can have the Office Suite installed is important, especially OneNote. This is a free download from your child's MPS O365 account, which we can help with at any time.

The computer market is very confusing and is inundated with so many choices. To assist you, Cyclone Computers (our school's ICT company) have developed a website that promotes a range of devices which fit our school's criteria covering different price brackets for some guidance. If you visit their website you can view detailed information regarding the below models. (Note: Any changes in pricing will be updated on the website).

If you have further questions regarding device specifications, we would strongly recommend you talking to Cyclone Computers:
