LET HER PLAY!

Dear parents/guardians,

Your daughter has said she is keen to learn how to play rugby this year!

The rugby season is fast approaching and a new exciting opportunity is coming to Mount Hutt College and Methven Primary School with the beginning of the Junior Girls' Rugby training (Years 5-8).

By giving her permission, she will be a part of a training program at the Methven Rugby Grounds, to run alongside Mount Hutt College (With Laura Hanson), on Wednesday afternoons (2-3pm) from Weeks 6-11 of Term 1.

(This will be in school time and she will be back at school in time for the buses)

In March, the girls will also be invited down to the Ashburton Show grounds to attend some "Have a Go" sessions run by Mid-Canterbury Rugby. We are also hoping to have some games organised for the girls in Term 2 against different schools within Mid-Canterbury.

If you would like further information, please come along to our meeting this Friday.

Information Meeting:

Where: Methven Primary, Opuke

When: Friday 1st March

This meeting will outline the plan of training, games and the season ahead. There will also be the opportunity for a question and answer session at the end of the meeting.
