

EPro8 Challenge

Engineer Problem Solve Innovate

Tuesday 23 July, 2018

Dear Parent/Guardian

It's really exciting to be contacting you again about the EPro8 Challenge, as this means your child has made it through to the semi-finals. Congratulations to the students for their enthusiasm and commitment to the tasks at the competition last term.

The semi-final is at Ashburton Intermediate on Thursday 15 Aug from 9:30AM - 12:30PM.

The entry fee for the EPro8 Challenge finals series includes entry to the semifinal AND (should your team qualify) entry to the grand final (ie. there is no additional cost for the grand final). Because it potentially covers two events, the entry to the finals series is \$150 per team. Methven Primary will again subsidise this event, but would appreciate a \$10 contribution from each student. Please let me know if this would cause any financial strain. The contribution will be charged to your family account.

Further details of the events are at www.epro8challenge.co.nz

Please complete and return the following if you are happy for your child to attend, and return to the school office.

Thanks,

Jane McCulloch

I/We _____ give permission for _____ to attend the EPro8 Challenge at Ashburton Intermediate on Thursday 15 Aug from 9:30AM - 12:30PM.

Signed: _____

Date: _____
