

MPS Learning at Home Pathway

Teacher Time

Your teachers are here for you. Please make contact if we can support in any way.

Other Optional Tasks

These are tasks that are 'can do' activities eg. Art & Craft, singing, PE & Health.

Haoura/Keeping Active

Physical activity is vital for keeping us well. We suggest doing something that raises your heart rate outside each day. Remember the 5 Ways to Wellbeing!

Class Chats

Each Class has scheduled chat times. We encourage you to log in so that you stay connected with your class mates and teacher. We are all new at doing this, so please be patient as we are learning.

Daily Tasks

Each week there will some 'must do' tasks posted on your Team time-table. Please choose which ones to complete on which days. These will focus on literacy & maths. If you miss a day, don't stress.
